Sir,

I have the honour to state that one Patel Halegowda, Chairman, Village Pnachayet, Shettihalli, Chinkurli Hobli, Frenchrocks Taluk has represented that there are about 32 villages around Shettihalli village but the villagers are put to great hardship for want of a shandy and requested that arrangements might be made for holding a shandy either near Dalavai Tank situated to the south of Shettihalli, i.e., by the side of Frenchrocks - Rajenahalli road or in the grove known as "Guna" in front of Ballenahalli, Bookinakere Hobli, Krishnarajapet Taluk on Saturdays. The subject was placed before the Board for consideration at their meeting held on 17-1-1942 and they have resolved that a shandy might be held at or near Dalvai Tank at Shettihalli. A copy of the resolution is herein enclosed for kind information. On enquiry, it is learnt that the land is situated by the side of Dalvai Tank in Shettihalli village, Frenchrocks Taluk and it is an assessed waste land measureing 5 acres and bearing survey No.107. There is no shade in the land at present but the villagers of Shettihalli agree that they would grow a tope soon after they are permitted to plant in the said land. The nieghbouring shandies and their distances are shown in the margein. The shandy will be of immense help to the people of Shettihalli village and also of surrounding villages as there are no shandies within a radius of five miles. The
